

VIGNESH S

Analyst at Objectways Technologies

Erode, Tamil Nadu 📞 6380405224 ✉ vjak5412@gmail.com 🌐 linkedin.com/in/vignesh-s-89288522b

PROFESSIONAL SUMMARY

Analyst with experience in Natural Language Processing and LiDAR projects, specializing in AI model training, data annotation, and object detection in 2D and 3D environments. Skilled in project tracking, reporting, and collaboration using Microsoft 365. Adaptable to rotational shifts, maintaining high productivity and accuracy.

SKILLS

AI & Data Processing: NLP, LiDAR, Data Annotation, 2D & 3D Object Detection, Tracking

Project Management: MS Office, Task Tracking, Reporting, Shift Management, Time Management

Technical & Soft Skills: Machine Learning, Data Analysis, Quality Control, Accuracy, Precision

EXPERIENCE

ANALYST - Objectways Technologies, Karur

July 2024 – Present

- Working on a Natural Language Processing project, responsible for training AI models to process and understand language data effectively. Performed data annotation, ensuring high-quality labeled data to train machine learning algorithms.
- Maintained over 8 hours of tool time per day, ensuring maximum productivity and commitment to project timelines. Worked with a high level of accuracy and quality. Produced accurate reports for data analysis and conducted thorough reviews to ensure high accuracy in project reporting.
- Worked on a LiDAR project involving tracking and detection on both 2D and 3D data and improving object detection. Adapted to various shift schedules, maintaining high productivity and consistency across shifts.
- Delivered timely reports on project status using Microsoft Teams for communication and Excel for tracking process. Kept all team members informed of deadlines and changes, ensuring effective project management.

PROJECT / PUBLICATION

• A Study on the Emerging Concept of ChatGPT in Education

March 2024

Researched and explored the integration of ChatGPT in education, which led to a 30% improvement in self-directed learning outcomes among students using AI-driven resources. Identified and Implemented strategies resulting in a 25% increase in academic productivity through personalized guidance from ChatGPT.

• A Study on Financial Inclusion and Inclusive Growth

August 2023

Authored and presented the compelling research paper at the International Conference on Financial Inclusion and Inclusive Growth at JASC, Karur. Published with ISBN: 9789395423816.

EDUCATION

• M.Com CA

September 2022 - April 2024

Jairams Arts and Science College, Karur. Percentage: 70.88%

• B.Com CA

June 2019 - April 2022

Govt Arts College (Autonomous), Karur. Percentage: 84.85%

COURSES / CERTIFICATIONS

- Post Graduate Diploma in Computer Applications
- Senior Grade Typewriting English (45 wpm)
- Customer Service Job Simulation
- Data Analytics and Visualization
- Strategy Consulting
- Certificate in Computer Basics
